

For This Season... For His Reason

Per the conversation in class, what are some ways or times in your life when you have experienced God's:

Election?

(affirming you or building you up in positive ways in skills or status)

Erosion?

(breaking down your sense of self that is based solely on status, partial truths or falsehoods)

Eruption?

(breaking into your life with unexpected insights, changes of circumstance, or direct address)

Excavation?

(including you in the work of finding hidden motivations, changing habits, or building competencies)
